regional user segmentation to improve sales
efficiency.

PROFESSIONAL EXPERIENCE

Digital Marketing Manager | Avery Weigh-Tronix | Sept 2023 – Present

Led redevelopment of the global website ecosystem, increasing traffic by 25% year-on-year and generating over 500,000 annual page views.

Increased global lead generation by 15% through regional optimisation, SEO and targeted digital campaigns.

Improved search visibility by 10% through technical SEO enhancements, industry-focused content and expanded keyword coverage.

Implemented IP-based regional routing and automated lead allocation to improve customer experience and accelerate sales response times.

Designed and launched a Shopify-based distributor ecommerce portal generating £225,000+ from 160 online orders.

Reduced sales support order-processing time by 50% through workflow automation using Zapier, Power Automate and integrated systems.

Built automated lifecycle, lead nurturing and account-based marketing programmes using HubSpot and Salesforce.

Produced executive reporting dashboards and performance insights across multiple global markets.

Website & Marketing Automation Lead | Safety Technology International | Oct 2018 – Sept 2023

Delivered integrated digital marketing campaigns across SEO, content, email marketing and social media.

Implemented a centralised CRM and marketing automation strategy to improve lead management and customer engagement.

Managed website optimisation projects focused on user experience, conversion performance and search visibility.

Managed external agencies, budgets and performance reporting for senior stakeholders.

Developed social media and content strategies aligned to commercial objectives and market opportunities.

ADDITIONAL LEADERSHIP & MARKETING EXPERIENCE

First Team Captain, Sponsorship Manager & Social Media Coordinator | Droitwich Spa Hockey Club

Lead sponsorship development, social media activity and first-team leadership for a growing community hockey club.

Established and launched the club's first sponsorship programme, creating a new revenue stream and generating £2,500 in sponsorship income during its inaugural season.

Increased sponsorship commitments to £3,500 for the following season, securing six local business partners through targeted outreach, relationship building and ongoing account management.

Manage sponsor communications and act as the primary liaison between the club and commercial partners, ensuring successful activation and long-term engagement.

Oversee social media planning and content creation across Facebook and Instagram, generating over 300,000 views while increasing visibility for both the club and its sponsors.

Lead the club's first team as captain, fostering a positive culture, supporting player development and representing the club both on and off the field.
